

# A Guide to the Pupil app

First  
download  
the app

## How to get started

Once you have downloaded the app you will need to sign into the pupil account using the username and password school will provide. You can change your child's password in the parent app

Verification Code 146371

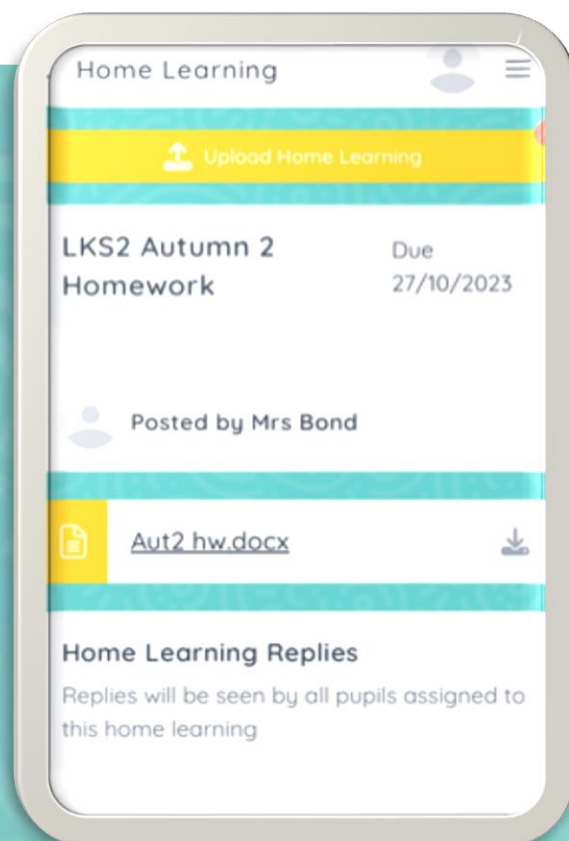

A screenshot of the SchoolSpider Pupil Area login screen. At the top, there is a red spider logo and the text "SchoolSpider Pupil Area". Below this are input fields for "Username" and "Password", a "Forgot password?" link, a "Select your School" dropdown menu (currently showing "Longton Lane Primary School"), a "Verification Code" field (containing "146371"), and a "Forgot Verification Code?" link. A red "Login" button is at the bottom.

After logging on you will be taken to your **DASHBOARD** which lists 'What's New'

**HOME LEARNING** will list all items that have been set throughout the year

Click on the 3 lines in the top right corner to switch between areas

You can upload your work at the top of the Home Learning page
